SUMMARY

Motivated and versatile IT and multimedia professional with hands-on experience in web development, ERP enhancement, chatbot flow design, server setup, and video content production. Skilled in both technical problem-solving and creative media editing. Adaptable, fast-learning, and committed to delivering high-quality results across system development, multimedia, and educational content creation.

TECHNICAL SKILLS

- Programming: Python, C++, PHP, Java, JavaScript, R, Visual Basic
- Databases: MySQL, NoSQL, MariaDB, PostgreSQL
- Multimedia Tools: Adobe Photoshop, Adobe Premiere Pro, Magix Vegas Pro, CapCut, Canva
- Web Development Tools: Figma, Balsamiq
- Operating Systems: Windows, Linux, Android
- Other Skills: Basic troubleshooting (software & hardware), video editing, photography, videography

STRENGTHS

- Fast learner with strong adaptability in technical and creative environments
- Effective problem-solving and debugging skills
- Strong attention to detail in multimedia and system development work
- Able to work independently and in team-based settings

EXPERIENCE

IT Support Engineer
Well Prestige Sdn. Bhd.
Jan 2026 - Current

- Installed, configured, and maintained IT hardware, software, network systems, domain services, and web hosting environments to ensure reliable and efficient business operations.
- Managed and maintained company domains, DNS records, email configurations, and web hosting services, ensuring website availability and seamless connectivity.
- Diagnosed and resolved hardware, software, network, and hosting-related issues promptly, minimizing downtime and supporting employee productivity.
- Administered user accounts, access permissions, software deployments, and system updates while ensuring compliance with company IT policies and security standards.
- Performed routine system maintenance, server monitoring, data backups, and recovery procedures to enhance system performance, reliability, and data security.
- Provided responsive helpdesk support and technical assistance to employees, addressing day-to-day IT concerns and troubleshooting requests.
- Coordinated with external vendors and service providers for hardware servicing, domain management, hosting solutions, and infrastructure improvements to optimize IT operations.

Video Editor
Dakwah Digital Network Sdn. Bhd. (BeDaie)
Jul 2024 - Oct 2024

- Created and edited engaging video content including book previews, reviews, educational snippets, promotional videos, and inspirational quote clips.
- Edited religious class videos with subtitles and creative enhancement, especially for Tajwid classes.
- Produced TikTok affiliate videos and optimized them for better engagement and sales conversion.
- Contributed to increasing awareness and sales of the company's publications through impactful video editing and storytelling.

Assistant Web Developer
Role Vision Sdn. Bhd.
Dec 2023 - May 2024

- Designed, coded, and enhanced the company's ERP system with a focus on performance optimization and user experience.
- Conducted thorough testing, debugging, and troubleshooting to ensure system reliability.
- Developed and tested chatbot flows using the company's proprietary chatbot.
- Designed a corporate website for the company using Figma.

Intern (Web Development & Systems)

Sudoers Solutions Sdn. Bhd.

Mar 2023 - Jun 2023

- Performed UI and API testing on websites developed by senior engineers.
- Produced system-related documentation and managed quotation documents for clients.
- Visited Malaysian Palm Oil Berhad to gain exposure to real server environments and hardware devices.
- Designed wireframes for a bidding system using Balsamiq.
- Learned to set up a server from scratch using Debian OS and MariaDB/PostgreSQL on Oracle VirtualBox.

Intern (Multimedia & Training)

FH Training Center

Aug 2020 - Sep 2020

- Assisted in conducting workshops on Google Suite and Adobe Photoshop.
- Produced tutorial videos on Microsoft Word and designed marketing banners/posters for social media.
- Improved instructional delivery and creative content development skills.
