ABOUT ME

Former Video Editor with a passion for machine learning. Skilled in photography, videography, and proficient in photo and video editing. Eager to apply my diverse skills and enthusiasm for learning to new opportunities.

EDUCATION

2018 - 2021

DIPLOMA

UNIVERSITI TEKNOLOGI MARA (UITM) - MACHANG

Completed my Diploma in Computer Science with a CGPA of 3.65. Joined Kesatria Negara for a semester and Basketball in co-curricular for two semesters.

2021 - 2023

BACHELOR DEGREE

UNIVERSITI TEKNOLOGI MARA (UITM) - SHAH ALAM

Completed my studies for a Bachelor of Information Systems (Hons.) Intelligent Systems Engineering with a CGPA of 3.57. I was involved as an organizer in the Talent Hunt 2022 event.

EXPERIENCE

Jul 2024 - Oct 2024
4 Months

EMPLOYMENT

DAKWAH DIGITAL NETWORK SDN BHD - VIDEO EDITOR (K-YOUTH)

I edited TikTok affiliate videos to make them more engaging and effective for promoting the company's book sales, and managed their uploads to TikTok. I also worked on editing religious class videos, adding subtitles and applying creative enhancements, particularly for Tajwid classes.

Jan 2026 - Current
6 Months

WELL PRESTIGE SDN BHD - IT SUPPORT ENGINEER

I installed, configured, and maintained the company's IT systems to ensure smooth daily operations. I diagnosed and resolved technical issues to minimise downtime, managed user accounts and system access, and handled routine maintenance and data backups. I also provided helpdesk support to employees and coordinated with vendors for equipment servicing and system improvements.

SKILLS

Basic Troubleshooting - Software, Hardware
